The JRTCA Directory of Breeders is on the Internet (www.jrtcabreeders.com), and advertised on the JRTCA’s main website, www.therealjackrussell.com, which receives thousands of visits weekly. Please note that hard copies are no longer offered. Due to the small number of orders received for a hard copy, it is no longer feasible to print one.

Breeders listed in the Directory are also published in every issue of True Grit, and offered up to 25 words of free advertising in the Terrier Boutique section in every issue, and a 50% discount for the Terrier Boutique Section on the Internet.

The JRTCA does not recommend specific breeders, but encourages those who contact the club office in search of a Jack Russell to reference the JRTCA Directory of Breeders. Through distribution of this directory, the JRTCA tacitly endorses the breeders listed therein; all breeders listed in the directory are therefore required to uphold the high standards of the JRTCA, its Registry, and the JRTCA Breeders Code of Ethics (BCOE).

Breeders found to be in violation of the BCOE may be denied advertising and/or have their kennel name dropped from the Directory.

Please review the entire application carefully and be sure to have all the items complete before mailing.

Listing will be most effective with a good, clear photo and limited, concise wording; lengthy text makes for a cluttered appearance and detracts from overall effectiveness of the page. Remember “a picture is worth a thousand words.” If you are using the same ad as last year, please return the enclosed copy marked with any edits for this year.

Lead paragraph (description of your breeding goals/plans suggested; limited to 4 lines, this means our typeset lines, not condensed type from your computer; approximately 60 words):

Photograph (w/caption): Caption not to exceed 3 lines. (No titles above photographs - only a caption below.) The best results can be achieved if there is good contrast between the dog and the background, and photo is clear and without shadows. Photos may not include people, trophies, ribbons or background clutter. Outdoor photographs are preferred and offer the best end result. Emailed digital photos preferred. If not available enclose photo with application; do NOT staple, tape, or fold photo!
